FORT N. C. H. S.

Above our fort's embattled walls,
Old Glory's folds unfurl;
She's been an inspiration
To every boy and girl.

DEDICATION

OUR TRIBUTE

As a tribute to our soldiers
Whom we never can repay
For the glorious deeds they do for us
Every single day,
We offer this, our yearbook,
In a grateful sort of way.

As a humble dedication,
Though we know it can't compare
With their feats on land and sea
And daring in the air,
We proffer this, our Nu-Kom-I
To all our boys out there.

VITAL TO

For the second time in my teaching experience the world is engaged in conflict and war.

In times like these it becomes the duty of the schools to redouble their efforts in their attempt to teach and defend the principles of democracy. We are doing and will continue to do what we can; Red Cross Drives, Defense Stamps, Bond Sales, Bundles for Britons, knitting, sewing, conserving—all these have received fine support from the faculty and students of N. C. H. S.

In the face of all these things we are mindful of the fact that Education is one of the first lines of defense, if not the first. For that reason we remind and keep reminding the boys and girls and their parents that education is a greater necessity now than at any time in the past and that nothing should be allowed to interfere with the training and schooling of the present crop of boys and girls.

And in the future when this awful war has been brought to a close and peace once more reigns throughout the world the need for an educated nation will be exceedingly important in grappling with the many problems that lie ahead.

With sincere appreciation for the fine cooperation of the board of education, the faculty, the students and the patrons of the school,

I am,

M. B. PLATZ, Principal.

SECRETARY OF STAFF

EDUCATION

KATHRYN KINSEL CONNOR

No words of ours can quite convey
The thanks we'd really like to say
To Kathryn for all the things she's done
Which made our school so smoothly run.

To the Board of Education, the students of N.C.H.S. feel deeply grateful. They have done much to make our education, our first line of defense possible.

"THE MESS CALL"

(THE FACULTY BREW)

Since soldiers are very fond of stew,
The faculty stirred up a motley brew,
And each one did his separate part
In making the soup a work of art.
Miss Flori supervised the mixture
So that no mischievous, pranking trickster
Would put an object of harmfulness
Into the grand and glorious mess.
Using his rhythm stick as a spoon,
And humming a colorful marching tune,
Mr. Shimp stirred lively and long,
Keeping time to his sprightly song.
When the fire 'neath the kettle burned low,
Quick little Kathryn was there to go
Chasing over the hills and dales
After some nice dry wooden rails.
Mr. Gruenewald spun great tales
While stuffing the fire with Kathryn's rails;
Tales of the war his grandpap was in,
And how they did things way back when.
Then "Toby" and "Stew" linked arms and
sang,
And the echoes of their voices rang
And mixed with the sound of Gruenewald's
voice,
To make a very confusing noise.
But Mr. Fox and Mr. Newsom
Thought the smell of the brew was gruesome,
So they asked permission of Mr. Platz
"If they please could go and play some catch?"
And he said "Yes" and ran for the bleachers,
Therefore ignoring the rest of the teachers;

But Mr. Young caught the scent of a bet
And followed up; they may be there yet,
For one bet on Fox and one on Newsom;
And did they make a contrasting twosome
Standing out there with boiling blood,
This beanpole "Slim" and his colleague,
"Spud."
And the Misses Jacobs and Smith and Bayles,
The English teachers, kept hot on the trails
Of misused verbs that kept flying around;
Stamping the creatures down into the ground.
While Miss Culton sat down by the fire
And dreamed that she heard a white-robed
choir,
As she slowly walked up the aisle of the
church
With a rose in her hair, and her heart all "a
lurch."
And Bette Bails, feeling romantic too,
Sat down by her side and stared into the brew.
Meanwhile McSwane ran around in a trot
For once, snapping pictures without using
Scott.
Then Mr. Walker found Miss Burgoyne's bike;
And since she was off on a G. A. A. hike,
He pedalled around for a while all right,
But the light of the fire must have injured his
sight;
For he rode straight into the pot of brew
And spilled every drop of the tasty stew!
When I woke from my dream, I searched for
the mess,
But John must have cleaned it up, I guess.

VOTE OF THANKS TO MR. McSWANE

A half a score of years ago
There came into this high school
A new teacher, conceived in Indiana, and
Dedicated to the proposition of pounding
Mathematics into little heads.
(We wonder how this man, or any other human,
Dedicated to such a losing proposition,
Could long endure.)
But to this brave man, Mr. McSwane,
Who gives the full measure of his devotion
To this cause, and to the sponsoring
Of our annual, we humbly express
Our thanks.
The school will little note or long remember
What we say here,
But it can never forget what he does here.

Hello Folks

We have just finished a year's training at Fort N. C. H. S. and thought you might be interested in a review of our activities. We the members of Regiment '42, are proud to offer you our Nu-Kom-i. The Staff, with the assistance of Clarence I. McSwane, Commander of Staff, and Miss Helen Jacobs, Supervisor of Editorial Staff, have endeavored to give you an accurate and realistic view of our camp life.

REGIMENTS

GIVEN

The seniors have to leave you now,
Their time in high school is no more;
They pack their kits with some regret
To travel out its friendly door.

No matter how tough the battle,
Or how heavy their load may be;
They smile with the happy knowledge,
"That in one year more, they're free!"

Here comes Regiment '44
Well prepared for their defense.
When teachers fire their guns at them
They answer back with common sense.

These are the fresh, new volunteers
Who help fill up the vacant space
Left when Regiment '44
Deserted the post for a better place.

The flag of orange and blue has waved
Above no truer, finer corps,
But they've a rendezvous with Life;
And they can't stay here any more.

This is the Third Division,
Almost eighty strong;
Their knapsacks bulge with courage
And their cups o'erflow with song.

They seldom ever miss their mark,
But hit the bull's eye sure and true.
They like to practice their steady aim
On the hardest tasks there are to do.

With their faces, bright and shining,
They light up the dimmest days,
And the harder the battle is to fight,
The brighter their torches blaze.

OUR BATTLE CRY

There beats a rhythm in the heart of every senior
Like the rhythm of a soldier's marching feet,
And his hand and mind are drilled, prepared, and ready
To Fight! Win! Fight! Win! Beat!
Every student has to fight his private battle,
Striving day and night against the foe, Defeat;
And his sturdy captains ever goad him onward
To Fight! Win! Fight! Win! Beat!
On Commencement night we march along together,
Two by two in perfect step with ranks complete
And we know we reached this goal by resolution
To Fight! Win! Fight! Win! Beat!
Then our long hard four years' battle is completed,
And the feeling of a conqueror is sweet;
So we face life's battle front and keep on saying,
"We'll Fight! Win! Fight! Win! Beat!"

REGIMENT '42

We have successfully completed our first year and are now ready to take over individual commitments. A journal over the first 12 months will remind you of our reg-
ment activities.

In 1939 we registered as privates at Fort N. C. H. S. with some rifles and many pairs. For our commander we elected Mac Hahn, Jr. and for others we elected Virginia Ann Graham, president; V. L. K. Kiser, vice-president; James B. Babin, secretary; and Billy Ervin, treasurer.

At our monthly ~~meeting~~ we were entertained with programs to commemorate a special event in the year. The most interesting segment of the year was our Christmas celebration. We had a ~~very~~ beautiful display, and after an evening that we enjoyed and enjoyed with Santa Claus, Mrs. L. M. Swane distributed gifts.

FIGHT, BOYS, FIGHT!

We love America
For her freedom and peace.
'Though we're fighting now,
Our democracy won't cease!

There'll be peace and happiness
When the war is o'er,
And we'll live afterward
As we have before.

The days will be brighter
As the years roll along;
In our minds we'll have peace;
In our hearts a song.

We'll remember the trials,
The triumphs of today;
And the Japs and the Germans
Won't be in our way!

We'll think of the husbands
Who died in the din,
Of sons, those young boys
Who fought bravely to win.

But we'll say, "It was worth it
Whatever the cost,
For we still have America,
And our freedom's not lost."

So fight on for Victory!
Stand up for the right!
We are all right behind you,
So fight fellows, fight!

BE STRONG-FOR AMERICA!

Our group of recruits entered Fort N. C. H. S. in the fall of 1939. We elected the following officers that year: Gene Sander, president; Betty Tate, vice-president; Coletta Emmerich, secretary-treasurer; and Miss Phyllis Durnin, sponsor.

After our promotion to the ranking of corporals, we selected Stewart Williams as our commander and his aide, we chose James Levy as president, Margaret Mattingly as vice-president, and Margaret Felt as secretary-treasurer.

Now in our third year at camp, we look forward to being hosts to the seniors at the annual hop, the Junior-Senior Banquet. Money is being made for many of them by selling candy and cookies here at the camp. In carrying out these plans, we elected Gene Levy as president, Joan Roberts, vice-president, Norma Jones as secretary-treasurer, and Mr. Williams as commander.

Several of our ranks have bought their class rings this year.

We have held two parties; one was a chili-supper, and the other one featured dancing and games for entertainment.

WE'RE PUTTIN' ON OUR UNIFORMS

We're puttin' on our uniforms to join the fightin' ranks
We'll blow the Japs to thunder; we'll man the guns and tanks.
We'll seek to do our duty wherever that may be
We're puttin' on our uniforms to defend our liberty.
And now our country calls us; we're freedom lovin' Yanks
To the last man we'll serve her in the foremost fightin' ranks.
We'll fight where duty tells us; in the air, on land, at sea
We're puttin' on our uniforms to defend democracy.
We're puttin' on our uniforms; we'll join the Marine Corps
The Japs will soon be buffaloed by what we've got in store.
We'll don the Navy uniforms; we'll become fightin' gobs
The Japs and Jerries will find out we don't like half-finished jobs.
We'll join the U. S. Army; we'll show them we can fight
We'll do civilian defense jobs; we'll speed the airplane's flight.
We'll win or die with Uncle Sam's destiny at stake
Jap and Jerry treacheries are somethin' we won't take.
We're puttin' on our uniforms, we're freedom-lovin' Yanks
For now the bugle calls us to join the fightin' ranks.
We'll keep Old Glory wavin' where every eye can see
We're puttin' on our uniforms to keep our great land free.

CORPORALS

REGIMENT '44

We, an army of 112, marched into Camp Newton Community High School as freshmen in September, 1940, with Miss Phyllis Durbin, as our "General." We elected the following commanding officers: James Doerr, Betty Dular, Ernestine Benetiel, and Bob Douthitt.

Our regiment showed great interest in extra-curricular activities, and we had a fair-sized group on the honor roll.

When the camp closed for the summer, our regiment had reduced to 104.

After three months' furlough, we, an ambitious and eager group of 101 soldiers, returned for our second year of training. In September, Miss Betty Lou Bails took charge as "General" and the following officers were chosen for the new year: Bill Young, Clifford Dewhurst, Marilyn Matheny, and Genelle Babbs.

Our annual party featured relay games, dancing, and plenty to eat.

We sponsored the sale of football programs to swell the funds of our treasury.

We still have a creditable number on the honor roll, and we also furnish a number of members for the band.

Having completed two years of our training, we hope to finish our remaining years in such a way that Camp Newton Community High School may well be proud of the regiment of '44.

PRIVATES

REGIMENT '45

We young recruits began our training at Fort N. C. H. S. last September. We admit we were pretty "green" at first, but we've become better adapted to camp life during the past months.

Paul Walker was elected Commander at our first meeting. He has been aided by the following officers: Geraldine McKnight, president; Mary Jean Eberhardt, vice-president; John D. King, secretary; and Donald Emmerich, treasurer.

Our class was represented in most of the various activities. Several of our girls helped to form the larger part of the Drum Majorette Corps, and several of our ranks were band members. We were also represented in the race for Homecoming Queen by Geraldine McKnight.

We had one party this year, and it was enjoyed by everyone.

A black and white photograph of a large group of young women, likely a cheerleading squad, posing in several rows. They are wearing light-colored, short-sleeved uniforms. The photo is grainy and has a vintage feel.

A black and white photograph of a large group of young people, likely a school group, posing in four rows. The group consists of approximately 30 individuals, mostly teenagers and young adults, dressed in mid-20th-century attire. They are arranged in four rows, with the front row seated and the back rows standing. The setting appears to be outdoors with a plain background.

TEAMPLAY

James Wilson (Red -Captain)

"Red," a four letterman at guard, was a standout of the forward wal, this season. As a captain, he was capable of making decisions for the good of the team. Red will be greatly missed next year.

Glen Bussard (Dognot)

"Dognot" was another of those Bussards from West Liberty. Playing right half, he drove hard and was a good open field runner. Glen is a senior.

Ray Ochs (Ray)

Ochs showed that he was very successful in pass receiving as well as defensive end. He will be hard to replace next year. Ochs was chosen the winner of the Block and Tackle Club.

LaDonne Mitchell (Mitchell)

Mitchell, left halfback, has made a good showing at this position. We expect that he will either take left or right halfback. Mitchell is a junior.

Norman Benefiel (Dutch)

Dutch was veteran end for two seasons. His ability to snare passes and turn in plays was an important cog in our defense. Dutch is a senior.

Harold Marrs (Marrs)

Marrs could play almost any position on the field and was a good substitute. Harold is a senior and will be missed.

Bill Pryor (Little Abner)

Bill came to Newton from Dundas. His first year out, he made first string tackle, and opponents soon learned to avoid his side of the line. Bill is a senior.

Leon Henderson (Henderson)

Henderson, tackle, was left over from last year. His ability to catch men behind the line made him feared by many a line man. Henderson is a senior.

Irvin Roberts (Erb)

Erb, left halfback, always gives a good account of himself for his size. We expect that he will either take left or right halfback. Erb is a junior.

Bill Cantwell (Bill)

Bill, being the largest man on the team playing right tackle, was out most of the season because of injuries. His size enabled him to crash through the opponent's line and break up many plays. Bill is a junior.

Jess McFarland (Gripe)

Jessie was letter winner last season at guard position. His ability to crash through the opponent's line caused many losses for the opponents. Jessie is a junior and runner-up for captain.

Gene Wagner (Sandy)

Sandy, one of the biggest men on the team, won his letter at tackle last season. Being changed to fullback, Sandy will be missed very much next year.

Kenneth Brooks (Kenney)

Kenney played right guard. His defensive power made him a veritable stone wall for the opposing team. He consistently opened holes for the ball carrier. Kenney is a senior and will be hard to replace.

Paul Girhard (Chink)

Chink has an assignment of neatly flipping the ball to the backfield men. His defensive ability is always a threat to the opposing team. Chink is a sophomore and shows great promise of being among the best before his high school career is finished.

Glen Sunderland (Sonny)

Sonny won his letter at blocking back last season and has been doing a creditable job at quarterback. Sonny is a junior and is expected to do great things. He was elected captain for the '42 season.

This year our season was both good and bad. In the opening game with Olney we were defeated by a score 19-12. The boys showed a good spirit. The second game with Palestine was a deadlock; both teams could not score. The best game of the year was with Albion by a score of 20-7. We were defeated in the worst game of the year with Mattoon 28-7. The Charleston T. C. game was close in playing. The scoring was 12-6, but later Charleston T. C. had to forfeit the game because an ineligible player played in the game. The first game of the season was played against Newton. We won 12-0. The last game we played was against Salem. We won 14-7. The last game of the season was played against Salem. They outplayed the Eagles in the first half, but the Eagles came back to play them off their feet in the second half of the game. It ended 14-7 in Salem's favor.

Although our season has had its share of defeats and victories, much credit goes to our Coach Fox and his boys.

1941-'42 BASKETBALL

The N. C. H. S. basketball Eagles of '41 and '42 won 11 and lost 16. They started the season with a win over Bridgeport but lost the next game to their old rival, Oblong.

The season was a series of ups and downs. The longest winning streak was 4 games while the longest losing column was 5 games. One of the best games of several years was played on the local floor against Hutsonville. One of the ups in the season was the 57 to 32 win over Toledo in the Eastern Illinois League Tournament in which the Eagles advanced to the quarter-finals. This was the second largest score ever made in the tourney's history.

In the E. I. League schedule, the Eagles won 8 and lost 8. This left them fairly high in the standings. The brightest spot of the season was the winning of 4 games in a row over Martinsville, Charleston T. C., Palestine, and Martinsville again.

CALLING THEIR SHOTS

V A R S I T Y

Glenn Bussard (senior), was one of the high scoring type. His long running in several games. He scored 158 points during the season and will be sorely missed next year.

Wayne Jones (senior) was a high scorer the last two years and a 3 letter winner. His height and one handed shots made him a fix. His rebounding and defense were a big help. He scored 100 points during the season's play.

Bill Pryor (senior) played basketball after transferring from Dundas, was a good player. He scored 100 points during the season's play.

Duane Sims (senior) was a good player. He scored 100 points during the season's play.

Irvin Roberts (senior) was a good player. He scored 100 points during the season's play.

Dewey Resch (senior) "Duke" was an alternate guard and forward. He saw action in all the games. He scored 41 points and will be missed next year.

Dale Birch (senior) played basketball for N.C.H.S., he was a dependable player when help was needed. He was exceptionally fast breaking in to the basket for many shots. His best play was in the last game. He scored 43 points.

Francis Hall (senior) was a good player. He developed rapidly during the last year. Not shooting much, he collected points and they all came when they were needed. He will return next year.

Lloyd McCormick (senior)—McCormick was a substitute center and guard. He was always a good player. His height and spirit helped greatly in time of need. He relied on passing and teamwork rather than shooting.

Norman Benetiel (senior)—Another faithful reserve. He saw action in several of the games. He scored 6 points during the season's play.

RESERVES

The second team, after a slow start, won 11 and lost 14. The team was composed of two groups—one of freshmen-sophomores and the other of juniors. The freshmen-sophomores played very well and were the main reason for the team's winning.

The juniors were boys who needed experience and conditioning before they could play for the first team. They will be valuable players next year.

The entire second team of Girhard, Dunnigan, Ward, Levitt, Cantwell, Mitchell, B. Bussard, Perisho, Douthit, Hayes, and Worcester will be available for next year's team and should help form a well balanced squad.

The Newton baseball team of 1941 turned out to be a success as far as performance goes. The team won 12 and lost 2 in the season. Credit goes to the Newton Softball team for turning out some good high school ball players. Our outstanding feat was winning the trophy in the district tournament at Effingham. This advanced the team to Springfield where we were defeated by a fairly good ball club. Highlight of the season was a home run by Ray Ochs, catcher of the team.

Pitching duties of the team were divided equally between Ray Snyder and Lefty Melke. Bower, a capable first baseman, was at first. I. Roberts and W. Roberts shared second while French took care of shortstop. Resch played a good defensive game at third, while the fly chasers were Jones, Mendenhall, and Yost.

Nine lettermen are returning next year, and a good season is expected.

THE 1941 TRACK SEASON

The track team won no meets because of lack of funds. Mr. Newsom, the track coach, had a good team. Those who were good. Because of lack of funds of the trackmen they had much trouble. They had some very good point getters. Most of them were seniors, but some of them were juniors. These are the names of the trackmen.

The trackmen were always liable for winning a track meet. As these trackmen worked hard, this is the schedule they undertook for their season.

Remember our volleyball tournament? Yes, the seniors won it again. Beginning with their freshman year, they took the laurels for four consecutive years. Look out next year though, anything can happen.

The G. A. A. this year had as its president the leadership of Miss Helen Burgoyne. The girls met early in the year and elected Miss Burgoyne president; Nita Sunderland, vice-president; and Rosella Portlock, secretary-treasurer.

During the month of October, a series of parties was planned for every week, but due to rainy weather only two were enjoyed. We spent the time playing basketball instead. We had a grand time at the homecoming party. Dry this month, too. The Robinson

was decorated in white and green with "Let's Clean Up on Robinson" for our slogan.

As part of our Christmas celebration this year we donated toys to the Civics Club for the poorer children of Newton.

Miss Lenora May, last year's president, was our guest speaker at the initiation party held in January. Though only nine of the fifteen initiates attended, we had lots of fun, and to those who didn't come, we say, "Beware next year!"

A "potluck" supper on February 19 was enjoyed by fourteen of the G. A. A. girls.

During April and May we packed our lunches and went hiking or bicycling. Yum! Yum! How good that food was!

Though we've had some sore muscles, we haven't forgotten the grand times, and the senior girls regret that, for them, there shall be no more.

Just looking, thank you.

Typing cards for the new additions to the library.

The quickest way to find the book you want.

A VERY studious group.

Any books today?

Here in N.C.H.S. are many 'books for buddies'—note because the board of education has allotted liberal funds for their purchase.

These books furnish the answer to many questions: "How much corn was raised in the U. S. in 1941?", "What's the difference between a German plane and a British plane?", "Where did that fellow live who wrote the story I read last week?" These books give material for long term problems, for special reports, and for satisfying idle curiosity. Plus magazines, they provide recreational reading. All kinds of stories—animal, love, adventure, mystery—are here for reading; that is, when they aren't 'out'. Some books are never "in" for more than an hour.

The library's "big week" is the first in November when it participates with the rest of the nation in observing "Book Week." This year on the library tables were placed all the new books with appro-

priate labels of identification, and the entire student body was invited in to examine them. That this exhibit was a success has been proved by later requests such as "I want that book on radio which I looked at that day when they were all out on the tables." As a climax to Book Week, the student librarians, under Miss Smith, were hosts and hostesses at a Book Tea for the faculty and their wives. The Home Ec classes, directed by Miss Eugenia Flori, prepared the tea, and Wilma Jean Alison poured. The same book exhibit was on display.

By means of plants, flowers, and changing bulletin board exhibits, the library is kept an attractive place.

Yes, it's the library with its "books for buddies" for learning and for fun. A corps of student librarians very ably assist in taking charge of the desk and in doing hundreds of odd jobs which make the library a center of reading and study activity.

On September 25, a group of students assembled for the first meeting of the Home Economics Club. They consisted of two types of members—those enrolled in Home Economics and those interested. To hold an office, a girl had to have at least one year of Home Economics. The following girls were chosen as office holders: Erlene Calvert, president; Juanita Foster, vice-president; Phyllis Flanagan, secretary; Nadine Frichtl, treasurer; Evon Wagner, song leader; Betty Heady, Norma Jean Short, Coletta Emmerich, Marion Ginder, and Norma Wakefield, program committee. The club was scheduled to meet activity hour, the fourth Thursday of the month.

At one of the first night meetings, the new members were initiated. A very beautiful initiation service was held. There was a very pretty folk dancing and, later, refreshments. At another meeting in April, the girls entertained their mothers.

FOOD FOR VICTORY

(Left to right,
on opposite page)

IN THE COUNTRIES RULED BY THE AXIS POWERS, THERE ARE NO YOUNG FARMERS' ORGANIZATIONS!

"REMEMBER PEARL HARBOR," a national slogan, is being met by Jasper County F.F.A. boys with their "FOOD FOR VICTORY" battle cry. You can hear them this summer, as they go up and down the corn rows, around the red top fields, or over the feedlot fence.

Excellent supervised Farm Practice Programs, Father and Son Partnership Agreements, more and better purebred livestock, clean field seeds, additional farm gardens, and more active participation in cooperative farm organizations is their program to produce more food, to help win this war.

Our leaders attended the State F.F.A. Convention at Urbana in July and the District F.F.A. Leadership Camp at Dixon Springs in August.

Dr. H. M. Hamlin of the Vocational Agriculture Department of the University of Illinois selected the Newton Chapter as one of ten over the state this year, to cooperate with the University in a long time Community Program Planning and Evaluation project. Those selected to work as an advisory council with the Agriculture Department and the University of Illinois on this program were Mrs. S. C. Crouse, Raymond Wagner, Sr., Lester Webb, William Emmerich, Walter Lambert, Clyde Mascher, Frank Mitchell, and Ben Bollman.

On the campus, five acres of tillable, idle wasteland was cleared last spring by the boys and put into cultivation to demonstrate good soil and cropping practices. Limestone, rock phosphate, and muriate of potash were furnished by the Lehigh Limestone Co., Ruhl Phosphate Co. and the American Potash Institute. Tractors and implements were loaned to the boys by local McCormick Deering and Arts-Chalmers dealers. Chief variety of soybeans were planted on the fields under the supervision of the Illinois Crop Improvement Association. A yield of 21.6 bushels per acre was combined, cleaned in the F.F.A. Seed House, and the seed distributed to local farmers. In the spring the fields were seeded to Columbia oats and Yellow Blossom Sweet Clover.

\$1,253.00 were the net earnings, including labor income, by the 41 boys from their supervised home farming practices during the past year.

\$115.00, in addition to the above earnings, was received from county and district fair premiums.

\$43.00 profit by Ray Probst on his Barred Plymouth Rock farm poultry flock was the highest made.

Members of Newton Chapter Future Farmers of America listened when Secretary of Agriculture, Claude R. Wickard, said, "One indispensable line of war production is food . . . FOOD FOR VICTORY!"

INTERNATIONAL COMRADESHIP

It was just the year ago that Le Centre Français was refused in the Newton Community High School, but we do feel that we have begun to "grow up."

The purpose of the study is to become better acquainted with Fringe and to learn those characteristics of her literary style which make her work and characters so that they make the study of her language more interesting.

During our last meeting we said French songs attended French movies gave oral reports interesting phases of French life and reviewed some of the important vocabulary of a year's study. Here is a list of what you will find in this study, my first attempt at a French movie at Charleston.

Officers for this year were:

Margaret Tobias—Mlle. la Presidente.

Ruth Matson - Mlle. la Secrétaire.

Betty McKinney—Mlle. la Tresorière.

TYPEWRITERS DRAFTED

A new society was started in the year by Mrs. Mary E. Baker. Students with at least one year of typing were qualified to become members.

"We the Travel and Scribble Club
Have studied countries from East to West,
But we agree that the U. S. A.
Greatly outshines the rest."

[illegible]

On September 11, 1961, I met at Perry College, Ellensburg, Pennsylvania, a friend and showed her how to travel in Mexico. After seeing the city and university and the surrounding area, and we had decided we had to go to Mexico. But the following Friday we were told that the "Latin American Alliance" and that we definitely knew that we wanted to "See America First."

Our plans require several illustrated talks about the wonders of National Parks at the West Yell, where Grand Canyon, Bryce, Zion, Glacier and others. Colored pictures and leaflets are being distributed these days and hoped to realize more of the undegraded size and beauty of our own country.

Each of the 10 members of the Travel Club paid a small fee at the beginning of the year to cover the expenses we have seen about 2 different times during our meetings. These pictures were both entertaining and educational.

We have traveled far with the Travel Club to save our lives and cooperate with Uncle Sam, but yet we can say, "We traveled far with the Travel Club."

The Student Speech Contest is a program for promoting better speech in N.C.H.S. and placing Newton among the winners in the various speech contests over the state. The students met with Miss Bette Lou Bails every Thursday or Friday of each week and after school to receive help in their contest. It is a program that is often in programs both at school and in town.

Seven students entered the contest at Charleston T. C. on February 12, 1942. The contest was held at N.C.H.S. Newton was represented in comedy and dramatic reading and debate.

Students in Speech Contest were Mary Lee Warren, Lillian Foltz, Patsy Adams, Gertrude McVicker, and Bob Worley. Ray Weber was the judge.

The Radio Club, in its second year of organization, met at the first of the year. The club was organized by ... and ... vice-president; and Lon Cleaver, secretary.

The purpose of the Radio Club during the first of the year was to train the members so that they might receive an amateur's license, but the outbreak of war changed their plans and limited their study to the principles of radio.

In addition to the equipment that was purchased last year, they bought a tape machine and also sponsored the purchase of a complete recording set this year.

The Chess and Checker Club was somewhat smaller this year than last because of lack of time and of room for a large organization of this kind. For this reason, it was suggested that people who had been members of the club for one or two years should enroll in other activities and make room for those who had not before been members. This year the membership was about thirty-five. The club was divided into two sections—meetings on Tuesday, and the other on Wednesdays.

The club champion checker player was determined this year, as last, by a tournament. The names of opponents were drawn in each section, and these opponents played each other until one had won two games. The winners in the first round went on to the second bracket while the losers played in the losers' bracket to determine who should meet the runner-up in the winners' bracket. The two finalists from each section met in a final round to determine the club champion. The two finalists in the Tuesday section were Bill Allen and Eugene Lewis, and in the Wednesday section Mark Meek and Jesse McFarland.

The final round among these players was not yet completed when the annual went to press.

The National Forensic League is a national honorary speech society. Membership in the organization is limited to 500 high schools in the nation. N. C. H. S. has been a member for three years.

To be a member of the local chapter, a student must have earned at least 20 points in the district competition. For 100 points, the degree of distinction is awarded, and for 150 points, the degree of distinction. Both Burrell Shull and George Bevis were awarded the degree of distinction this year.

The active members of N. F. L. were: George Bevis, president; Bob Hubbard, vice president; Helen Sinclair, secretary; treasurer, N. Frick; L. Henderson, Wylla Mae Miller, Bob Worcester, Ruby Milner, Mary Jeanne Eberhardt, and Estaline Ulmer.

During the past three years Newton members have participated in a series of 100 debates each year. Invited to the debates for this year were tournaments and clubs at Lincoln, Vandalia, Decatur, Haskins, Earl Park, Keokuk, Spirit, Madison, Quincy and Clay City. On Saturday, June 10th, the Newton debaters sponsored their fourth annual tournament. Invitations to that tournament were sent to twenty schools in Illinois and Indiana.

Interest in photography grows every year. There is an ever increasing number of amateur photographers developing through the years. The War Time Camera Club was organized as a work and the new War Time the project of the war time camera club was to make the subject of more importance and photography as an art form. The club was organized to help the war effort and to one either of an artist or of a scientist. There are several members of the N. C. H. S. Camera Club who are well experienced in the field of photography and the production by chemical means of a permanent negative from which a print can be made. Most of the pictures found in this annual are taken, processed, and printed for use by the Camera Club members, and to them due credit is extended.

RHYTHM IS OUR KEY WORD

Left to Right: Dorothea Windle, Geraldine McKnight, Lois Madlyn Clark, Ernestine Benoit, Henrietta Schafer, Joyce Wagy.

Drum Majorette, Lois Madlyn Clark.

In 1940, twirling and drum majoring by co-eds was started as an auxiliary to band marching and stunt performances. The few who started (both grades and high) did not understand the perfection of such physical education or co-ordination of muscle and mind. Most of them quit. Five entered the State Fair contest and came back with a participation medal.

Two girls were fast enough to enter the 1941 high school contest. About two weeks before the contest they completely gave up, and two substitutes were found.

This was the beginning of real twirling. The two substitutes, Lois M. Clark and Henrietta Schafer, came back the team to the contest. She had always been an enthusiastic onlooker. She entered the twirling group. Grade school twirlers had entered their contest and came home with medals.

It was decided to enter an ensemble, individuals, and flag twirlers at the preliminary to Chicagoland Music Festival. This was held at West Frankfort. Ten girls practiced once (and sometimes twice) each week from six o'clock in the morning until nine o'clock for a period of six weeks. We came back from this contest with Joyce Wagy placing second in flag twirling, and the ensemble placing second. This gave us the privilege to compete were rated best of our twirlers at the State Fair in 1941.

An ensemble is a group that twirls the same thing at the same time, or does a particular stunt in a particular outstanding manner.

Drum majoring is commanding an organization on the march by signal of baton and by whistle or gun.

Twirling requires gracefulness, speed, muscle co-ordination, and physical endurance. It should foster an up-standing personality. Most of the twirlers have developed this.

The culmination of the squad's ambition was reached when they really made the trip to Chicago. We did not receive any high honors, but the educational value was very great. They learned to adjust themselves in a large city at the world's finest hotel, at the world's largest outdoor festival, and they had the privilege of meeting hearing, and seeing truly great personalities and organizations. Certain lasting impressions were received that day.

This winter we have met each week and twirled individually and collectively, receiving grades for each appearance from each of ten requirements. The drum majoring and military speed and smoothness count greatly to their favor. The new recruits are getting ready for next year's appearances. Three grade school twirlers will enter high school next year. This club promises to be the greatest and best in this section for the coming year.

Tamara B. Are those discords we hear every Monday, Wednesday, and Friday activity hour coming from the band room? Oh! I beg your pardon.

But really the band is one of our school's most active organizations. They play for football and basketball games.

The band is not only active during the school year, but it is also active during the summer with weekly Wednesday night concerts and, of course the Jasper County Fair.

MERRILY WE ROLL ALONG

For a number of years, the boys in N. C. H. S. have taken a very small part in organized chorus singing. It was felt that this lack of interest was in part due to the fact that the boys were always grouped together with the girls in one single chorus. This year, arrangements were made for a boys' glee club under the direction of Omer Tobias and the response has been gratifying. There are now seventeen boys in the group, and they have progressed well enough to sing before the assembly twice this year.

The boys in the club are grouped as follows:

First Tenors: Leon Henderson, Denver Helzer, Duane Sims, and Lynn Wartel.

Second Tenors: Allen, E. Carlson, Denver Leturno, Ray Lewis, and Glenn Romack.

Bartones' L. Eddie Hall, Paul Harris, and Fred Rotramel.

CHEER THEM UP WITH A SONG

Organized this year under the direction of Miss Mary Bess Culton. Any student could choose this activity. About 60 students who became members.

The chorus gave a concert this spring. The program consisted of various songs suggesting the moods of composers.

In addition to the spring concert, the chorus entertained with a few selections at the Christmas programs.

A sextet was selected from the chorus early in December. These six girls are to be commended for their performances at the Christmas programs and for their numerous school activities.

DO YOU REMEMBER?

September—

- 1—Labor Day Holiday.
- 2—School begins. Oh, me!
- 8—Gee, Dad, they want more money.
- 12—I'm flat broke. I never saw people want so much money.
- 20—Got all pepped up for the first football game at Olney, but soon lost all hope. They beat us 20 to 12.
- 22—Washed my face, combed my hair, put on a tie, and took screen test for Splish.
- 25—Game with Palestine. We didn't get beat nor did we beat 0 to 0.

October—

- 3—Game at Albion. We rolled them all over the field and came out on top! 21 to 7. Oh, Boy!
- 10—Eastern Illinois Teachers' Institute. Hurray! No school and DID I sleep. Oh, yes, we had a game at Mattoon, but I won't mention the score.
- 16—Began homecoming plans. Voted for queen nominees.
- 17—Mr. Platz didn't want us here. He wanted to go to the ball game at Charleston, so all out. Charleston beat us 12 to 6 but finally forfeited it because of an ineligible player.
- 18—G.A.A. Play Day.
- 21—Our big Homecoming newspaper published. It had thirty-two pictures.
- 24—Whew! work, fun, everything else. Big Homecoming parade in afternoon. Sophomores had a slight accident with their float and so did our team. Robinson shakes us down 13 to 6. Ouch! Then a big dance was held and Red crowned Parker queen.
- 28—Brrr, Brrr, Brrr. Assembly bell at 9:15. Mr. Dittmore, children, with "Crime Does Not Pay." Now we all want to be G Men.
- 29—Oh, oh, Ma, they're checking up on our brains. EXAMS.
- 30—More exams! My poor brain.
- 31—More exams! Will they never cease? But we made up for it in the afternoon with no school and a ball game with Martinsville, 00.

November—

- 2—Book week starts and the English teachers like reports.
- 3—Mr. Platz banned rubber bands. Only little boys would use those things. We
- 7—High School Conference. Got out of school. A rest for the brains, teachers, huh??
- 8—Book week ended.
- 10—Charleston sure rolled us. 18 to 0, here.
- 11—Armistice Day—Got to catch up on my sleep again.
- 13—Guy B. Green impersonated Lincoln. Quite dry I would say.
- 14—Ball game with Salem. Floored again, 13-7!
- 18—Big Senior Carnival!
- 20—Thanksgiving holiday. What a dinner.
- 21—No school. Recuperated from dinner.
- 24—T. C. debate here.
- 27—Football banquet at hotel. Boys sure got their tummies full.
- 28—Basketball game at Bridgeport and we really mopped their deck, 32-24. Debate tourney at Lincoln.

December—

- 2—The faculty threw a party and I bet it was a good one.
- 4—Juniors had to pay for their float trouble. They sold popcorn.
- 5—Game with Oblong.
- 6—Debate tourney here.
- 7—Bombing of Hawaii.

Assembly. Listened to President Roosevelt's declaration of war on Japan. Best assembly program this year. The clown Lew Hersey had quite an enjoyable time with "Her."

- 12—Game with Toledo. We won.
- 13—Charleston High beat us.
- 16—Casey also beat us.
- 18—Had a little acrobatic show by the French girls.
- 19—Greenup defeated us. Same old thing.
- 23—Game with Hutsonville.
- 24—Christmas vacation begins. Oh, boy!
- 25—Christmas and presents galore. Vacation, vacation, and more vacation.

January

- 5—Got our noses back to the grindstone today.
- 9—Patriotic program.
- 22—Exams. Woe on us! Semester's at that.
- 23—Well more headaches. Still Exams.
- 27—Faculty had some fun, I guess?
- 28—Discussed six day week.
- 30—Eastern Illinois Teachers' Institute. No school for us anyway.
- 31—Game at Effingham. Got beat, of course.

February—

- 2—Well, we all opened our mouths for the teeth inspector today and he gave us some advice on the care of them.
- 3-7—Eastern Illinois League. Played a game with Toledo and really made a hit. Then we played Effingham and got hit.
- 10—Game at Martinsville.
- 11—Got shot today. Now I don't mean that way. I mean for T.B. I wonder if anybody fainted.
- 12—Lincoln's birthday. Originally a holiday but the war took it away.
- 13—Friday 13th. Oh, well, suppose Charleston T. C. will beat us anyway. This afternoon Wida Weaver got us out of class with "Daddy Long Legs."
- 14—Game at Palestine.
- 18—Game here with Martinsville.
- 19—G.A.A. party.
- 20—Juniors have some fun. A party? Yes.
- 27—Seems we play Marshall.

March—

- 1-12—Lots of practice for the All School Play.
- 13—All School Play. Quite a wow was "The Night Was Dark."
- 17-24—Class Tourney. Seniors won!
- 26-27—Ma, here come those things again! exams.
- 30—Faculty party?

April—

- 3—Good Friday vacation, whoopee!
- 4—County Music Festival.
- 5—Easter and what hats!
- 6—Had to go to school because of the war. We are going to win.
- 10—Minstrel Show. "Ware yo all thar?"
- 11—F.F.A. Family Night.
- 15—Mother-Daughter Night.
- 17—Band Festival Night.

May—

- 11—Well, the big Junior-Senior Banquet went off swell. I suppose everybody went home and to bed after the dance? You don't suppose?
- 22—Miss Bails' coaching came out tonight in full force. The Senior Play was a wow.
- 24—Baccalaureate services.
- 25-26—Oh! Final brain check up.
- 27—Close of school. Goodbye pals and chums all. Hope we seniors won't be here next year but guess we will know tonight whether or not we receive our diplomas.

CLASS WILL

We, the polished soldiers of the class of '42,
Feel that as we leave, a little parting gift is due;
So with kind intentions, we present these things to you:

Colmore Miller's political fervor to all of you young Republicans.
A little bit of Bill Mendenhall's height to Earnest Pitcher.
Wayne Robert's curly hair to Elmer Cunefare.
Bill Allen's modest demeanor to James Doerr.

WELCOME HOME, BUDDIES

ALUMNI ASSOCIATION OFFICERS

Left to right: William C. Sackman '10, President; Isabe-
lle Trentner, Lea Koo, 21 (not in picture)

The officers of the Alumni Association met three times previous to the Homecoming and made plans for the celebration. Invitations were sent to all of the N. C. H. S. alumni outside of Jasper County.

Much credit is due these officers for such a well-planned affair.

The fourth annual Homecoming of the Newton Community High School was held October 24, 1941.

At 2 o'clock the band led a long parade of colorful floats representing the various classes and organizations. The parade marched around the square and then a pep meeting was held on the courthouse lawn after which the prize winners were announced.

First, second, and third prizes were won by the Hobby Club, Dramatics Club, and G.A.A. respectively.

The second big feature of the day was the Alumni Banquet served by the Methodist women. The main speaker at the banquet was the noted alumnus, Andrew J. Percival.

The football game between the Newton Eagles and the Robinson Maroons followed the banquet. The largest crowd in the history of N. C. H. S. attended the game.

Immediately after the game, Alberta Parker was crowned Homecoming Queen by the Newton Community High School. The coronation was attended by the principal, Mr. F. C. Fry, and the Newton Community High School. Betty McKee and Leona Felt were the Homecoming court and the day's festivities.

The Homecoming Queen Contest was won by Alberta Parker. She was crowned by Football Captain, Jim Wilson, at the Homecoming Dance.

The ceremony started by the orchestra playing "ON FOR NEWTON," James Dean then played the national anthem. As the Queen and her court entered, they were followed by Joan Young, who carried the crown on a silk pillow.

WHAT WE DO

There are two civilians that we find see quite often; one is a nurse and the other is a man.

The next series of three of the girls are of America. These girls were working on a tractor driving

The next series of three of the girls are of America. These girls were working on a tractor driving

Of course all of these pictures have to be mounted and here's the mounting detail.

We just dropped in on General Newsom and Sergeant Sims doing a little stuffing.

Heath plays a great part in every army camp so we thought you'd like to know what goes on in the "apple-a-day" line.

We got ourselves "shot" to determine whether we'd ever come into contact with a T.B. bug.

We also had our teeth examined.

ADULT EDUCATION PROGRAM

Farmers Group

Extension Class

Principal M. B. Platt stated that he advocates the belief that modern public schools should conduct after-school programs for out-of-school youth and adults above the high school age.

Preparation for national and the all-out-Victory programs during the year created current interest in the adult educational opportunities offered by our high school.

A Fair Forks Native was a military medic and Fair Forks Farmer who served in the 101st Airborne Division during the Battle of Normandy in 1944. He was a member of the Fair Forks Community Church and was a member of the Fair Forks Agricultural Society. He was a member of the Fair Forks Agricultural Society and was a member of the Fair Forks Agricultural Society.

D. L. Y. and District of Columbia Art School, then a new course in elementary electricity. This was the first year for this class known as National Defense Course A-4. Twelve out-of-school young men 17-24 years of age, were enrolled. The class met three hours nightly over an eight week period for a total of 120 hours' instruction in electric wiring and practical repair of motors and appliances.

Nineteen rural teachers and townspeople were enrolled in an extension class in Public Speaking, meeting each week during the first semester. Dr. Glen Ross, head of the Speech Department of Eastern State Teachers College, conducted the course.

Trigonometry was taught by Omer M. Tobias, mathematics instructor, during the second semester of the first 11 days and then continuing to assist in military service particularly the Air Corps. Airborne service part of twelve weeks the defend in the military after the rise of the Axis. Approximately 1000 were necessary to complete the course.

When interviewed recently Mr. Farz said: "There is no valid reason why the public should be denied the benefits and privileges afforded by those who have reached the age of 21. The only way such a law would be set up will be if it had use throughout the entire year."

A larger group studied Rural Sociology during the second semester. Four quarter hours of college credit were given for these courses.

BEAUTY HINTS

It is every woman's desire to become beautiful. Popularity and beauty run hand-in-hand, so a "hint to the wise" is sufficient

1. Exercise at least four hours daily. (Wax floors, wash windows, run three miles, etc.)
2. Never retire before 3 a. m.
3. Eat abundance of sweets—it's good for the complexion.
4. Take a good stimulant before breakfast each morning
5. Never smoke less than five packages of cigarettes daily.
6. Apply mascara to the eyes before weeping.
7. Use rouge freely—a slight pat on the tip of the nose gives a tone of natural color there
8. Always use plenty of perfume. Advisable—Woolworth Emporium if allowance is limited.

A SUCCESSFUL FUTURE

God make your life a happy one—not by shielding you from sorrow and pain, but by strengthening you to bear it if it comes.

Not by making your path easy, but by making you sturdy enough to tread any path.

Not by taking hardships from you, but by taking all cowardice and fear from your heart as you meet hardships.

Not by making you a drunken surfer, but by keeping your life bright even in the shadows.

Not by making your life always pleasant, but by showing you where pain and God are ready to help and by making you as strong as steel to and to help.

Not by keeping you a slave, but by making you a conqueror through Christ "who loves you.

God make your life a happy one.

Faithfully yours,

WHAT A HIGH SCHOOL GIRL THINKS ABOUT

Monday

Had a long talk with Ray.

Gave Ray a nod as he passed by the door.

Met Ray in the Study Hall and walked to class with him.

Saw Ray in the class room.

Walked to Stanley's with Ray.

Ray took me to school in his car. Talked with Ray until one o'clock.

1:45 Sat across the aisle from Ray in study hall—didn't do much studying. Why?

2:30 Ray spoke to my rival. I will tell him of it later.

3:45 Went to class without getting to see Ray.

4:15 Gave Ray a "going over." Ray took me home in the car.

7:15 Ray and I went to the movies—saw my rival again but Ray didn't speak to her this time

11:30 Ray brought me home. Ray just left.

CONGRATULATIONS

On Your Year Book

Many schools have quit publishing a yearbook, but not Newton. I admire your courage and fully realize the work you have had to do.

Twenty years ago I, too, helped put out a yearbook at Robinson and as each year passes I treasure it more and more. As time goes on, you, too, will more fully value your book, the same as your friends do their furniture when purchased from the Ted Meskimen Furniture Store, Robinson, Illinois.

HEADQUARTERS 7TH BOMBER COMMAND Hickman Field, T. H.

CITATIONS FOR GALLANTRY IN ACTION. By direction of the President under the provisions of the Act of Congress approved July 9, 1918 (Bu. No. 43, WD 1916) the following is listed and cited for gallantry in action and is entitled to wear the Silver Star decoration:

DONAL V. CHAPMAN, 314,500 Corporal Headquarters and Headquarters Squadron, 11th Bombardment Group (H), Air Corps, United States Army, Territory of Hawaii December 7, 1941. Corporal CHAPMAN conspicuous for his bravery under fire, assisted in the repair of an airplane during the severe attack of December 7 and straggled on the battlefield. Corporal CHAPMAN was killed in this attack. Next of kin: Irvin M. Chapman, father, Wheeler, Illinois. (Residence at enlistment, Wheeler, Illinois).

BUGLE SONG

Tune—Taps

It's now eight o'clock
It's now eight o'clock
It's now eight o'clock
In the morning.
March into your classroom
And don your brightest look
Try to make your teacher
Believe you've read your book.
It soon will be three
It soon will be three

It soon will be three
In the evening.
So try to bear up bravely
Take orders like a man
And when you feel like grumbling
Prevent it if you can!
It soon will be three
It soon will be three
It soon will be three
In the evening.

EVENING TAPS

Light is dim
Ebbing vim
Aching head
Eyes so red
Day is through!
No one's sad.
All are glad
Of it too!

—Anna Allen.
